

## TESTIMONIAL

After enjoying our cabin on knife lake for eight years, my wife and I fell in love with the Mora area and decided to sell our home in the cities as well as our cabin to build our "Dream Home" on Knife Lake. We purchased a lot and after many months of research in the building industry decided that Nordenstrom Construction was the builders we wanted to build our "Dream Home". Everyone in the community spoke highly of the quality of their homes.

We are so happy with the customize construction that Dave, B.J., and all the work crews did. They were able to complete the project to our total satisfaction and meeting our personalized needs.

I recommend anyone who is interested in building a home - consider NORDENSTROM CONSTRUCTION before selecting a builder!
